Dear Families,

December 2026

For the month of December, our class (along with the other classes in our school) will be working on *TWO* service projects. Please feel free to join us for one or both!

The first project is for the Make-A-Wish Foundation, Wyoming Chapter. The Make-A-Wish Foundation helps children with terminal illnesses realize some of their many dreams! The Wyoming Chapter has helped children from Cheyenne to Lyman to Afton, to Thayne. We usually receive a letter in January telling our class the story of the child we have helped. Over 75% of donations received by the Make-A-Wish Foundation go directly to program services.

If you are able, please have your child do chores at home or for a friend to earn change (pennies, nickels, dimes, quarters, half dollars). No paper bills will be accepted. We will collect the change starting this week. The last day to bring coins will be Monday the 21st. As a class, we will sort and count the coins and send them to the foundation in the name of our school. This is an optional project.

The second project is for Lucky's Place—our local humane society. There are many cats and dogs at Lucky's Place. They are a nonprofit organization and are run strictly by donations. The animals there need food! If you are able, please bring in cans of wet food or bags of unopened dry food for either cats or dogs. We will take all donations to Lucky's Place. Bring them in by the 22nd.

Please remember that both service projects are optional. Both will help our community. Please consider this an opportunity to learn about giving!

Thanks so much for your support!
