

# Mrs. Price's Classroom Handbook

Dear First Grade Family,

The classroom handbook provides details about the policies and procedures of Mrs. Price's classroom that stem from educational and community values which make Thayne Elementary such a special environment for our children. Please review and discuss with your child the parts that are most important to his or her full participation in school life. When you have done so, please sign and return this form no later than Friday, September 5<sup>th</sup>. This will indicate you have received the classroom handbook and reviewed the contents with your child.

If you have any questions about the contents within the handbook, please contact Mrs. Price at 885-2380 ext. 7615.
