Academics • Building relationships • Connecting knowledge to the real world

If you have, or work with children under the age of 5, check out the North Lincoln County Early Childhood Coalition website, www.nlcecc.org and "like" their Facebook page. We would like to encourage everyone to READ ALOUD 15 Minutes – Every child, Every parent, Every day! Kindergarten Readiness Booklets are available at the Thayne and Etna Elementary School offices. If you would like to be more involved in the Early Childhood Coalition or have any questions, please contact Christine Turner (cturner@lcsd2.org, 880-2583). More information about childcare, preschools, and other services for children are welcome for inclusion on the website. Please share with us!

Don't Skip the Well-Child Visit

Kid Care CHIP encourages families of elementary age children to visit their medical provider every year and their dental provider every six months or as directed. Maintaining healthy habits, like preventive health exams, will positively impact the health of a child for life.

According to the U.S. Department of Health and Human Services' healthypeople.gov, development in the elementary ages has a significant impact on a child's future. Good health and positive interactions may affect academic success, decision making, eating habits, conflict negotiation, and future relationships.

Children who learn healthy behaviors at this age are more likely to maintain these behaviors as an adult.

Although children at this age are often perceived as healthy, elementary age children are at risk for: developmental and behavioral disorders, child abuse, asthma, obesity, cavities, and unintentional injury.

Children will be screened for these risks at an annual well-child visit and bi-annual dental exam.

For information on Kid Care CHIP, the Children's Health Insurance Program, visit health.wyo.gov/chip. For more information on provider visits and family-centered care throughout childhood and adolescence visit brightfutures.aap.org/families

There is an abundance of lost & found clothing at the school. These items are kept in cubbies at the entry to the First Grade Hall. Parents are welcome to come and claim these items. Check in at the office, and we will help you locate this area. Hopefully, you will find just what you've been missing!!

The PTO is sponsoring a **Family Sweetheart Dance on Feb. 24th** from 5:00 to 8:00 p.m. Refreshments and popcorn will be provided. Just remember to bring your dancing shoes, and a big happy smile! Please keep in mind that parent supervision is required if your student attends!!
