LOOKING AHEAD		
May	9	KINDERGARTEN REGISTRATION for 2018-19 school year 5:00-7:00 p.m. TES

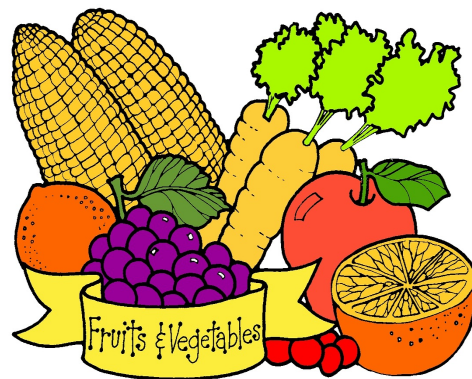

There are several programs in Lincoln County School District #2 that have been paid for with 21st Century Community Learning Centers (21CCLC) money, including: Swim-N-Learn, GOFASA, Mastery Camp, Gearing Up for Kindergarten Preschool, Morning Fitness, and STEM classes offered through Etna Enrichment Express and Dry Creek Academy. We do have funding to continue these programs in 2018-2019, but it may not be available after that. If you have any questions or suggestions, please contact Christine Turner (cturner@lcsd2.org, 307-880-2583).

Parents and other guests joining us for lunch:
Please sign up by 9:00 a.m., to ensure proper amount of food. Call the school at 885-2380 to be included in the count. Exact change is needed for the transaction. Guest lunch is \$3.80

FRESH FRUIT AND VEGETABLE PROGRAM: Did you know that the students at Thayne Elementary have a fruit or vegetable snack every day, provided through the Fresh Fruit and Vegetable Program? It's a great opportunity for students to taste a wide variety of produce including items such as Santa Claus melons, Jicama, Forelle pears, grape tomatoes, apples, carrots, etc. As well as tasting the fruits and vegetables, students learn about each item. For example: Did you know . . . raspberries are sold by color not variety. Or, how to pick a good watermelon . . . turn over. The underside of the melon should have a creamy yellow spot from where it sat on the ground and ripened in the sun. For more information about the FFVP, contact Sue Helm at the District Office.

PLEASE WALK YOUR STUDENT INTO THE BUILDING WHEN THEY ARRIVE TARDY.

It is an important factor in ensuring their safe arrival and in getting the correct lunch tally.

Husky Helpers Are Awesome Examples!!
Congratulations to our newest Husky Helpers~~~

NURSE NOTES

Skyla Hamilton-Holderman, RN, BSN
Feel free to call with questions: 885-7110

Public Health in partnership with LCSD#2 is providing a kindergarten vaccination clinic for your convenience at kindergarten registration.

We will be offering the DTaP (Tetanus, Diphtheria, Pertussis), IPV (Polio), MMR (Measles, Mumps, Rubella), and Varicella (chickenpox) vaccines, which are required for entry into kindergarten. This clinic is a public service provided by LCSD#2 and Lincoln County Public Health with vaccines provided by the Wyoming Department of Health's Vaccines for Children Program.

Vaccination is the safest and most effective way to protect your students from many serious and potentially fatal diseases. To protect as many students as possible, Lincoln County Public Health has scheduled an immunization clinic for:

Wednesday, May 9th: Thayne Elementary 5:00 - 7:00 p.m.

This clinic is in conjunction with KINDERGARTEN REGISTRATION for the 2018-19 school year. We will have Vaccine Information Statements, Notice of Privacy Practices and consent forms available. **We can only immunize properly if we have your child/children's previous immunization records, so please make sure to have those with you.** We accept most insurance (we are in network with Blue Cross Blue Shield, Cigna, Medicaid, and United Healthcare - all others are considered out of network). Please bring your insurance cards with you. The vaccine itself is free of charge; however, we do ask for an administration fee of \$20 per shot (even so, we do not turn anyone away because of inability to pay).

Please take advantage of this opportunity to get your kindergarten student's immunizations up to date. If you have any questions, please call Lincoln County Public Health at 885-9598. Thank you.
