Student Registration 2024-2025 opens April 1st

2024-2025 Application for Classroom Placement:

Parent input on student placement will need to be submitted using an application form that is available in the office and on our website under "Classroom Placement Application" at thayne.lcsd2.org. All requests can be either faxed to 307-883-2032, scanned and emailed to laurie.hyde@lcsd2.org, or dropped off at the school. Please note that phone calls, emails, notes, or conversations with teachers about placement will not substitute for completing the form. When submitting an application, please consider the following: Every classroom in each grade level offers the same exposure to the curriculum. Students are frequently "leveled" based on performance and are with teachers other than their primary teacher.

The process for making classroom assignments for the following year is time-intensive and very complex; ensuring students are considered individually for how they will succeed based on teaching style, learning style, interaction with peers in the classroom, student strengths, and teacher strengths. Most importantly, building balanced classes and working with special learning needs is a higher priority than parent requests.

We cannot consider more than one request per student.

Parent input is one determining factor and not the determining factor in placement. While we work hard to consider parent input, placement from parent input is not guaranteed. Teachers, along with myself, take the above listed factors into account when it comes to placing all students in classrooms.

Application forms that are incomplete will not be honored.

Parent input is due to the office by the end of the school day on **April 25th**. Any requests received after that date, including requests made once the class lists have been posted, will not be considered.

Thank you for helping make this a great year at Thayne Elementary. We appreciate your support and all you do to make learning an adventure for your child. As always, if you have any questions please feel free to call the school at 307-885-2380.

Literacy:

Please join us for our annual Title One parent engagement meeting. We will be holding this meeting during the **April TVC meeting** on the **17th at 1:40** in room **304**. The agenda for this meeting will include the programs that benefit Thayne Elementary through Title One funding. If you would like a zoom link for this meeting please contact the building secretary.
