** Very Important Safety Information **

- Dropping Off Students -

Our student drop off area is located in the front of the building near the flagpole. Please pull up as far as you can. Students can then exit their vehicles and enter the building through the main entrance.

- Picking Up Students -

Please check in at the main office to pick up your student during the school day. If you are picking up your student after school, please wait for your child at the student drop off/pick up area near the flagpole. A staff member will escort students from their classrooms to meet parents/guardians at the drop off/pick up area.

From our Speech and Language Pathologist:

There are a variety of annual screenings that will occur in the next couple weeks. Please inform the school if you have any concerns or if you do not want your child to participate. Thank you.
