SPECIALS SPOTLIGHT: THAYNE ELEMENTARY PHYSICAL EDUCATION

Kindergarten/First Grade- It has been good to get to know students and work on locomotor skills like running, jumping, hopping, skipping, and galloping. Catching and throwing bean bags and balls has also been a focus. Students have enjoyed several varieties of tag like Turtle tag and fruit loop tag. We have also played with parachutes and rolled down the hill!

2nd/3rd Grade- At the beginning of the year I introduced playground games like foursquare and hopscotch. Later we practiced throwing, catching frisbees. We also practiced leg exercises like squats, wall sits, and lunges.

Last month we learned kickball. We did arm exercises such as pushups, pull-ups/chin-ups, and climbing the rope. This month we are playing dodgeball with catching and throwing skills along with movement and strategy. We are improving our core and abdominal muscles with sit ups and planks.

Thanks,

PARENTS:

The annual Early Childhood Census is now happening! We ask that you go to www.lcsd2.org and click on the link provided or use this QR Code or direct link to access the census and fill it out for all of your children who are **birth to 5 years old** and **not** enrolled in kindergarten yet. The district uses this information to plan for future needs of our schools and communicate to you the year before your child enters kindergarten. In January, there will be a census worker in your area that will contact you if you have not filled out the census online. The census will be open now through January 25. Thank you for taking the time to complete this census! For questions about the census or have trouble accessing it, contact Emily Isaacson 307-885-7129. <https://forms.gle/PLpb2HcD2FVMYas49>
