### Input for Class Placement

The time for preparations for next school year is fast approaching! Although not required, if parents would like to share input regarding their child that may help in the decision making process for class placement, a completed form must be submitted **no later than May 5**. The form will open on **April 7th** and can only be completed electronically. There is not a paper version. To access the application form please go to our website at [thayne.lcsd2.org](http://thayne.lcsd2.org) and select the Family & Students Tab, then under Quicklinks select: Classroom Placement Form 2025-2026.

Please note: Phone calls, emails, notes, or conversations with teachers about class placement will not substitute for completing the form.

As always, please feel free to give us a call at 307-885-2380 if you have any questions. Thanks!

# Did You Know?

\*All funds raised at the Book Fair go towards our student's reading achievements as well as resources for our school's library programming.

\*This fall the read-a-thon/acts of service fundraiser brought in a whopping total of \$2,755.25 that will directly benefit the students at Thayne Elementary! This will pay entirely for Field Day as well as school field trips and celebrations.

Mrs. Robinson's Kindergarten class brought in the most donations and celebrated with an ice cream party!

\*We are excited to give back to our community through our school-wide food drive, March 24th to April 11th. All donations will benefit the Alpine and Thayne Food Banks!
